

**TURNKEY COMMUNICATION SERVICES PUBLIC COMPANY LIMITED**

**Procurement Policy**

**P-EXC-013**

## Procurement Policy

Turnkey Communication Services Public Company Limited (“the Company”) has established a Procurement Policy to serve as a systematic and effective operational guideline for all procurement-related activities. This policy represents a key process that supports the Company’s overall business operations. In alignment with the Company’s commitment to sustainable development, the policy emphasizes operations that take into account environmental, social, and governance (ESG) considerations — the essential principles for ensuring long-term stability and sustainable growth.

### Scope of the Policy

The key elements of the Company’s Procurement Policy are as follows:

**1. Procurement Considerations**

Procurement activities shall be conducted with due consideration of quality, price, quantity, service, and responsiveness, while emphasizing efficiency, effectiveness, and responsibility toward the environment, society, and good governance.

**2. Transparency and Compliance**

All procurement processes shall be carried out in a transparent, fair, and auditable manner, in compliance with internal regulations, requirements, and applicable laws.

**3. Fair Procedures**

Procurement procedures and methods shall be designed to ensure fairness and equal opportunity for all relevant stakeholders.

**4. Vendor Selection**

Vendors or service providers with environmental management certifications and a commitment to upholding universal human rights principles shall be given priority in the selection process.

**5. Green Procurement Promotion**

The Company promotes environmentally friendly procurement by encouraging the use of renewable resource-based products or non-polluting goods, such as products bearing the Green Label certification.

This Procurement Policy was approved by the Executive Committee Meeting No. 11/2025 held on November 3, 2025, and has been effective on November 3, 2025.
